NOTES—First Sheet.

WD 1232—GPB—20,000—18-11-16

Extract from the responsibility Sheet in respect of questions requiring ~~discussion~~ decision referred to in the Notes of discussion by the Second Member with the Kolar Gold Fields Mining Board on the 13th & 14th March 1918.

Sl. no.	Subject.	Summary of representation of the Kolar Gold Fields Mining Board.	Remarks and action proposed	Officer responsible	Time for completion
1.	Augmentation of Police in the Gold Field	The Mining Companies have been representing for a long time (since 1914) that patrol is insufficient and therefore some additional Police may be employed for the purpose.	At the last Session of the Representative Assembly it was said that representation of the Companies on the subject would be considered & orders would be issued before the end of March 1918. The present D.I.G. of Police has sent proposals involving a cost of Rs 6000 per annum. These proposals may be considered.	The D.I.G. of Police. The Asst Secretary Branch III.	20th April 1918
2.	Police Jurisdiction on the K.G.F. Railway.	It would be a very great convenience if the K.G.F. Rly Police is, as before, placed in charge of the Gold Fields Police	The D.I.G. of Police is inclined to support the request of Mining Board. This is a very small matter of administrative readjustment and the request of Mining Board may be sanctioned	The Chief Secretary	30th April 1918.

Offg. Inspector-General of Police in Mysore.

To

C. S. Balasundaram Iyer Esquire, B.A.,

Chief Secretary to the Government of His Highness the Maharaja of Mysore, General Department.

Sir,

With reference to your letter No. J.4220 dated the 11th instant, requesting my opinion in the matter of control of the Kolar Gold Fields Railway Police, I have the honor to state that I have not been made aware of the grounds on which the Mining Board desire a change in the existing system. It is with a view to secure efficiency and co-ordination among the Railway Police on the various lines that they have all been placed under a single Superintendent. So far as I am aware, no inconvenience has been till now experienced under the present arrangement by which the Kolar Gold Fields Railway Police are placed under the Railway Superintendent. The Regular Police on the Gold Fields and the Railway Police have been working harmoniously and there has been no hitch or trouble between them at any time. In these circumstances, in the absence of satisfactory grounds to change the present system, I think it may well be left undisturbed.

2. At the same time, I may say that the proposed change is not likely to be attended with any particular disadvantage; and

(11

considering that it is after all a small matter, as observed by the Second Member of Council, I shall have no objection to the representation of the Mining Board being considered favourably by the Government if they are inclined to do so.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.
